MONTHLY MEETING, AUGUST 22 7:00 PM

Our topic is **Books That Help**. The Steering Committee members have chosen the book that helped them the most. A handout of brief book summaries will be handed out. If you have a book to recommend, feel free to bring it. We will also have a share circle.

I'm beginning to know your children
From the things I've heard you tell,
From the pictures that you've brought here
I think I know them well.

Our hurt and sorrow are immense

I'm not sure where to start.

Compassion after all is

Your pain in my heart.

My thanks to you for listening

to words wrung from my soul

WE ARE THE COMPASSIONATE FRIENDS

THAT'S ALL I NEED TO KNOW.

NEWS FROM THE CHAPTER

Hats off to **JOE TREVINO** as he retires after 10 years as our Treasurer! We hope to keep seeing his smiling face. He is a valued member of our chapter. Welcome **Jane and Bruce Brumbaugh** as our new treasurers. Thanks for stepping up to the plate!

BROUGHT BACK BY POPULAR DEMAND: OUR HOLIDAY SLIDESHOW! We will start over on making a new slide show. Kathy Elliott will take over this job. Find a picture you want in the slide show. Scan it to Kathy at kwkdesigns@gmail.com or bring it to a meeting. We hope to include anyone who has attended in the last two years and anyone who was a previous member who wishes to attend our holiday remembrance.

WE DO NOT WALK ALONE. WE ARE THE COMPASSIONATE FRIENDS.
